

ESSENTIAL WORKER TRAVEL PASS

April 3, 2020

To Whom It May Concern:

The ERA® Foster & Bond employee/contractor in possession of this letter works in the Residential or Commercial Real Estate Industry and is required to travel to and from appointments.

Residential/Commercial Real Estate is a sector which has been deemed by The Cybersecurity and Infrastructure Security Agency (CISA) as critical to the infrastructure of the United States, as the residential and commercial real estate activities are essential for the continued function of the economy in this time of crisis. It is essential that this individual be permitted to proceed to or from his or her home or office location, confirmed appointment location, or to otherwise perform his or her job function.

The Residential Real Estate industry has been designated as a "Critical Infrastructure Segment" per the **ADVISORY MEMORANDUM ON IDENTIFICATION OF ESSENTIAL CRITICAL INFRASTRUCTURE WORKERS DURING COVID-19 RESPONSE** dated March 28, 2020. It is therefore the policy of the United States Government that these industries continue to function with minimal disruption. Pursuant to the Governor's Executive Order dated April 2, 2020, no local ordinance within the State of Georgia shall impede the conduct of Critical Infrastructure.
